Teen & Youth Addiction Recovery Program
For Teens and Youth Ages 14-22

Do you feel powerless and out of control? Has your use of drugs or alcohol led to actions you’re not proud of? Have you driven away friends and family? Are you having difficulty holding down a job? Is your health at risk? Are you struggling at school? Do you have any arrests or a criminal record? Do you feel ashamed and hopeless?

SMART is a self-help program with tools to help you change drinking or drugging or other stuff that’s holding you back. The program and tools are non-judgmental. It’s all about “self” — SMART stands for Self-Management And Recovery Training. You don’t have to attend SMART for a lifetime. You’ll move on with your life after overcoming the challenges you now face.
